Contrast Dance

770 AM DJ's "Brother Anthony" Kaminski and "JJ" (John Jackson) play a selection of recorded music

It's your opportunity to be creative.

Wear attire that is contrasting. A PJ bottom with a fancy top; mix a plaid pair of pants with a paisley top. Mix up colors—the wilder the better. Have a partner? One dress to the 9's the other in work clothes. Split your "doo" — leave half of your head in curlers, pair a Christmas sweat shirt and July 4th flag shorts. Let your imagination run wild.
